

J10 OFFICE LOCATION

BY RAIL - Chester Rail Station is located to the north east of the city centre. A frequent bus shuttle link with the city centre runs every 10 minutes and drops/picks up close to **M&S** on **Frodsham Street**, from where the office is about a three minute stroll. The service is free to those who have a train ticket.

Alternatively, those of you who enjoy stretching your legs can walk into town, taking a brisk 10 minutes extra of your time.

BY BUS - Park & Ride facilities are available at **Chester Business Park** (off A55 / A483) and close to the **Sainsbury's** in **Caldy Valley, Boughton** (off A55 / A41).

Both provide regular buses in and out of town every 10 minutes to stops that are located on **Frodsham Street** (close to M&S) for the Caldly Valley route and on **Foregate Street** (close to M&S) and on **Pepper Street** (outside Habitat and The Grosvenor Mall Shopping Arcade) for the Business Park route.

The office is a three minute stroll away from these stops.

BY CAR - Parking options are numerous, but the most convenient is the **NCP** at **Newgate Street**.

There is quick and easy access onto the A55, with links to the M53, M56 and M6. Manchester and Liverpool Airports are both within 45 minutes drive.

- From the **A55** (east or west bound) take the exit signposted **A483** Chester and Wrexham.
- At the roundabout head north and take the exit towards Chester, passing the **Chester Park & Ride** on your left and **Chester Business Park** on your right.
- Head straight into the city over a series of roundabouts, continue directly across and **over the Grosvenor Bridge** that traverses the **River Dee**, passing the **Chester Roodee Racecourse** and **HQ development** on your left below.
- At the next roundabout take the second exit into **Grosvenor Street** and at the next set of lights at the crossroads continue straight over taking the next left into **Newgate Street**, immediately after the restaurants **Piccolino** and **Blackhouse Grill**, but before **Zizzi**.
- The **Newgate Street NCP** provides convenient and covered parking that is located beneath and alongside **The Grosvenor Shopping Arcade**. Access through the arcade takes you out onto **Eastgate Street**.

J10 Planning is located at the **Cross**, the intersection of Northgate, Eastgate, Bridge and Watergate Streets – where the Town Crier hangs out and the Christmas tree is erected every year. The office is located on the northern side of **Eastgate Street** at Row level.

H Samuel, the jewellers, is at ground level, with the **Met Bar & Restaurant** above and **J10 Planning** above this.

Make your way for the row level restaurant and our external entrance gates are at the very corner of Eastgate Row and Northgate Row overlooking the Cross.

A short flight of stairs will bring you to our front door ... **just buzz !**
